ITEMIZATION OF GOODS & SERVICES

SERVICES

I. Basic Services\$ 1,490.00

This fee for our Basic Services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials and forwarding or receiving remains.)

Our fee for the services of funeral directors and staff includes, but is not limited to:

Twenty four hour availability of staff response to initial request for service; arrangement conference with responsible party; arrangement and coordination of funeral or memorial ceremony; scheduling appointments to meet with doctor or medical examiner for legal signature; preparation, processing and filing of necessary paperwork, including death certificates, state permits, social security forms, veteran benefit applications, clergy records and other required authorization forms; recording of vital statistics; retention and care of remains prior to commencement of ceremony/disposition; staff assistance prior to, during and following the funeral, including consultation and coordination with other parties involved in the funeral or final disposition of the deceased, including cemeteries, crematories, clergy, transportation agencies and others.

The funeral home has also incorporated into the above fee a basic facilities charge which is a proportional charge used to meet overhead expenses such as: professional licensing, legal and accounting fees, OSHA and environmental compliance, insurance, building and utility expenses, parking lots and grounds, maintenance, taxes, equipment, furnishings, inventory, record keeping and clerical and administrative services.

II. Embalming.....\$550.00
